FLUENCY PASSAGE

Directions: Set a timer for one minute. Read the following passage aloud as quickly and as accurately as you can. Record how many words you read correctly at the bottom of this page. Repeat one more time. Do this Monday through Thursday. The purpose of this activity is to increase reading fluency.

The Clean Kitchen

“Quick, Jean, let’s surprise	4
Mom and clean up the	9
kitchen. Put the cream in	14
the fridge. Quick, put the	19
leftover beans and meat in,	24
too.” The water streamed	28
into the sink. Dad and Jean	34
scrubbed each fork until it	39
squeaked. The plates gleamed.	43
Dad and Jean beamed. “Shhh.	48
Jean, let’s sneak away.” “Is	53
this a dream? Whiskers,	57
did you clean up this kitchen?”	63

By signing below, I am acknowledging that my child has read the passage above aloud to me two times.
